

HENSON EFRON

BUSINESS LAW

Henson Efron's business law attorneys in its Minneapolis law firm are experienced professionals with a reputation for providing sound and practical advice to our business clients. Our clients include multinational enterprises, publicly traded, privately held and middle market companies, as well as family-held and smaller businesses.

We are committed to providing clients good value. We will listen, assess the needs of our clients' business and help them achieve their goals in a timely, cost-effective manner.

Our lawyers understand how to get a deal done. We can assist with every aspect of a deal, from tax planning, to financing, to negotiating the terms and closing. At every stage, we provide smart and creative solutions so our clients achieve their strategic objectives.

As a member of the Legal Netlink Alliance, we are part of an international consortium of law firms providing integrated, cost-effective, high-quality legal services to clients around the world. Through this alliance, we are able to draw upon the resources of attorneys in all 50 states and in over 40 countries. Explore the links below to learn more about how we can help you.
