By nature, I am direct. You can rely on me for the concise answer; I am succinct and provide straightforward options, strategies, and advice tailored to meet your goals.

For nearly 30 years, I have represented individuals and companies of all sizes in a wide variety of litigated disputes, including:

Your best interests are foremost; I constantly weigh risks, rewards, and expenses to achieve optimal results. Focused on resolving cases early, I explore all forms of settlement, but if a fair resolution cannot be attained, I bring vast experience litigating in state and federal courts. I have a proven track record of handling complex, high-stakes cases, including winning a high-profile case that was deemed unwinnable.
